28 November 1983

MEMORANDUM FOR THE RECORD

SUBJECT: Initial Meeting of Newly Formed Computer-Based Education
          Working Group

STAT
STAT
    1. The first meeting of this group was held on 23 November 1983.
In attendance were:

STAT
    2. [   ] asked the group to give serious thought to the role
this group will play in developing an OTE approach to the whole area of
Computer-Based Education. The specifics to be sorted-out will include
the costs of Hardware and Software, goal statements, objectives, time
frames, target dates, risks, and courses that will be affected in the
curriculum. He suggested that the group reconvene within the next
STAT
couple of weeks to discuss its ideas and strategy.
will chair the group.
